JUST IN CASE™

ALL NATURAL BAR-B-Q SAUCE

**The Boss knows barbeque sauce and he says
"Try it, Just In Case"**

Here's a mild flavored, marinade with medium seasoning that works well at the grill and at the table too.

Just In Case™ Bar-B-Q Sauce adds flavor to slow cooked chicken by caramelizing on the outside of the meat to keep the juices and flavor locked inside.

Use with hickory or mesquite smoke for a sure fire pleaser on grilled steaks and ribs, poultry and ham. Side dress at the table for extra zip and add to "Pork and Beans®" for sensational "Baked Bean" flavor!
